

Call for applications

Student Assistant - Working group of Prof. Stern

We are looking for students to support our working group in research and teaching starting between June and September for the winter term 2026 (and beyond). The extend of the contract can range from 7 to a maximum of 15 hours/week – subject to negotiation.

Within the scope of this position, the following tasks are to be fulfilled:

- Collaboration in the preparation of teaching and instructional materials,
- support in the administrative handling of teaching,
- support in literature research, and
- support in the preparation of documents for ongoing research projects.

Requirements and Desired Qualifications:

We are looking for students majoring in Environmental Systems Science, Circle, Global Studies or Sustainable Development (or similar) with a special interest in innovation and transition management and research who are willing to,

- work independently,
- bring ideas and creativity to the work, and
- have good social and communication skills

and who have

- an at least almost completed bachelor's degree
- good English skills and
- good computer skills (Powerpoint, Excel).

There is an option for further employment (summer term and also over the summer).

If you are interested, we look forward to receiving your application (CV, motivation letter, academic record). Please send your documents by 15.5.2026 at the latest to

tobias.stern@uni-graz.at
