

Graz, May, 2022

**Call for applications
Study Assistant
in Innovation and Transition Research**

For summer 2022 and winter term 22/23 the position of a study assistant with 7-20 hours/week in innovation and transition research (Prof. Stern) at SIS is advertised.

Within the scope of this position, the following tasks are to be fulfilled:

- Collaboration in the preparation of teaching and instructional materials,
- support in the administrative handling of teaching,
- support in literature research, and
- support in the preparation of documents for ongoing research projects.

Requirements and Desired Qualifications:

We are looking for students majoring in Environmental Systems Science, Circle or Sustainable Development (or similar) with a special interest in innovation and transition management and research who are willing to,

- work independently,
- bring ideas and creativity to the work, and
- have good social and communication skills

and who have

- a (almost) completed bachelor's degree
- good English skills and
- good computer skills (Powerpoint, Excel).

There is an option for further employment (summer term and also over the summer).

If you are interested, we look forward to receiving your application (CV, motivation letter, academic record). Please send your documents by 27.5.2022 at the latest to tobias.stern@uni-graz.at.
